

EXPLORE THE INSIDE OF A BELL PEPPER!

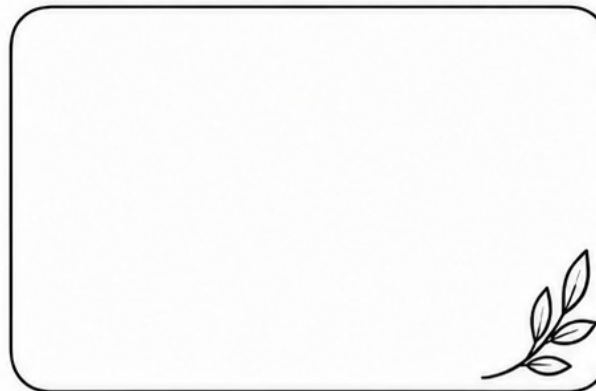

Look closely. Ask questions. Notice the details!

LOOK & NOTICE

- How many chambers does your pepper have? _____
- Where are the seeds attached? _____
- What shapes do you see? _____
- How is your pepper similar or different from another one? _____

DRAW WHAT YOU SEE!

DID YOU KNOW?

Bell peppers are fruits! They grow from flowers and contain seeds. The seeds can grow into new pepper plants!
